Article 116

CHARTER MEETINGS

There shall be at least one Charter meeting each month, where a full report of the work of all Officers, Committees and Executive Board shall be made. Notice of such meeting shall be posted at least three (3) days before the meeting date on all boards of all companies. In the event no meeting is held for lack of a quorum, all actions of the Executive Board which would have been reported to the membership at that meeting shall become final and binding upon the Local Union without further action by the membership. However, the rights of members shall be maintained as per the Constitution and General Law. A Local Union may, under special and justifiable circumstances, omit the regular meeting if excused by the I.P. Although a Charter Meeting has been excused by the I.P., due to circumstances beyond the control of the members, the meeting shall be deemed as being held and all members shall be credited with having attended.
