Calgary Transit

Find your purpose.
Make an impact.

Competition # M55-26 Issued: November 19, 2026

Journeyperson 1 – Auto Body Technician

You are a Calgary Transit employee who is committed to public service, enjoys collaborating with others, and shares the City of Calgary's values. We encourage you to grow your career within the organization, and to develop your skills by taking on new challenges. Together we make Calgary a great place to make a living and a great place to make a life.

As a Journeyperson 1 - Autobody Technician, you will be responsible for various body repairs.

Duties and Responsibilities

- Design, build, repair, modify, paint, refinish and adjust all types of wooden and metal automotive bodies. This includes trucks, buses, automobiles, Light Rail Vehicles (LRVs), auxiliary units and accessories.
- Perform related body shop tasks, such as prepping, welding, spray painting, body repair and parts replacement.
- Operate a wide variety of power tools, hand tools, and equipment while following blueprints, patterns, or specification manuals.

Qualifications

- A completed related Journeyperson Certificate as an Autobody Technician (must have all 3 certifications: Prepper, Refinisher and Repair) or equivalent recognized by Alberta Apprenticeship and Industry Training.
- A valid Class 5 Driver's License (or provincial equivalent), with no more than 6 demerits and no current suspensions or charges pending.
- Ability to obtain a City of Calgary Operator's permit and an air brake (Q) endorsement.
- The ability to lift 20kg (45lbs) on a regular basis is required.
- Demonstrated mechanical aptitude will be considered as an asset.
- Previous training or experience in welding, upholstering and framing, and/or wheel alignment will be considered assets.
- You are strong a communicator who takes initiatives and demonstrate well developed planning and organizational skills.
- Success in this role requires you to demonstrate sound judgment in safety standards; excellent technical proficiency, interpersonal skills, customer service, and high work standards.

Working Conditions: This position works in a shop environment, which can include exposure to vehicle fumes, heavy equipment, noise and dust. Some work must be performed in tight spaces and awkward positions including bending, crouching and above shoulder work

Pre-employment Requirements

- Successful applicants must provide proof of qualifications.
